

10th November 2022 World Quality Day

At KAEFER quality goes deep – it permeates our culture. That means that we are compliant in our processes and recognise conscious decision-making processes at every level of quality and efficiency in our work.

On 10th November is World Quality Day – a great opportunity to celebrate quality achievements and recognise those that use conscience in their decision making at every level ensuring that we deliver our services on time and in the most cost-efficient way without any incidents.
